We were thinking the same thing.

I need to file the motion for an extension with the Federal Circuit, but I'll get back to you when I return.

> Victoria and David:

> One thing we should discuss is the October 5, 2009 discovery deadline. This date presents a problem since theoretically both you and I might want to send some requests for productions, interrogatories, admissions after we depose the opposing party. Since the depositions of Bob and Matt are after September 5, 2009, we do not have enough time built into the schedule to do this. I'm open to any solution-extending deadline, agreeing on a shorter time to produce, etc. Let me know.
